EMPLOYEE BARGAINING AGENCY DESIGNATION

By a Designation dated April 27, 1978 (which was amended May 30, 1978), the Operative Plasters' and Cement Masons' International Association of the United States and Canada (the "Association") was designated as part of the "plasterers" employee bargaining agency to represent in bargaining all Journeymen and Apprentice plasterers, spray fibre applicators, dry wall tapers and rigid insulation applicators represented by certain affiliated bargaining agents.

Since then, certain affiliated bargaining agents have altered their territorial and jurisdictional borders so it has become necessary to replace the Designation.

THEREFORE, pursuant to my authority under subsection 153(5) of the *Labour Relations Act, 1995*, I hereby revoke the above-mentioned Designation (as amended) and substitute the following Designation:

Pursuant to clause 153(1)(a) of the *Labour Relations Act, 1995*, I hereby designate the Operative Plasterers and Cement Masons International Association of the United States and Canada and the Operative Plasterers and Cement Masons International Association of the United States and Canada Local 124 as the employee bargaining agent to represent in bargaining all Journeymen and Apprentice plasterers, spray fibre applicators, dry wall tapers and rigid insulation applicators represented by the following affiliated bargaining agents:

1. the Operative Plasterers and Cement Masons International Association of the United States and Canada; or

2. the Operative Plasterers and Cement Masons International Association of the United States and Canada Local Union 124; or
3. any other Local of the Operative Plasterers and Cement Masons International Association of the United States and Canada which, in the future, may be chartered to represent plasterers, spray fibre applicators, dry wall tapers and rigid insulation applicators;

(hereinafter collectively referred to as "the Unions") in the industrial, commercial and institutional ("ICI") sector of the construction industry in Ontario and, without limiting the generality of the foregoing, to represent in bargaining as above-described all employees bound by or parties to,

- (a) a certificate of the Ontario Labour Relations Board granted to the Unions or any of them;
- (b) a voluntary recognition agreement with the Unions or any of them; or
- (c) a collective agreement to which the Unions or any of them have been or are party to or bound by,

covering the ICI sector of the construction industry in Ontario.
